

# 10 Questions to Ask Before You Hire an Air Duct Cleaner

THE OTHER GUYS

MR. POWER CLEAN

**1) Are you a MEMBER of the National Air Duct Cleaners Association?**  
NADCA requires that all member companies have at least one certified Air Systems Cleaning Specialist (ASCS) on staff to ensure that all cleaning is accordance with NADCA Standards and Guidelines.

YES  NO  **YES!**

**2) Is the price your quoting really the TOTAL price?**

The ridiculously low prices in some ads are for cleaning just part of your air duct system. Get the total price for a complete system cleaning before you let someone in your home.

YES  NO  **YES!**

**3) Will you be placing my ENTIRE duct system under negative pressure?**

NADCA standards demand that all cleaning be performed with the entire duct system placed under negative pressure. Small, portable rotary-brush duct cleaning machines that other companies use do not meet this requirement.

YES  NO  **YES!**

**4) Will you PROTECT my floors and furnishings?**

We treat our customer's homes like our own. That is why we lay drop cloths under the vacuum hose, use plastic corner guards to protect your walls and wear cloth booties over our shoes.

YES  NO  **YES!**

**5) Will you REMOVE my registers and diffusers?**

A thorough cleaning begins by removing and HEPA vacuuming the registers and diffusers.

YES  NO  **YES!**

**6) Does your price INCLUDE cleaning the blower compartment and A/C coil?**

The National Air Duct Cleaners Association (NADCA) standards demand that all parts of the air duct system be cleaned, therefore cleaning these components shouldn't be an "add on".

YES  NO  **YES!**

**7) Do you INSTALL new Access Panels?**

In order to clean the system properly, you need to get cleaning tools inside of it. More importantly, creating openings in the system allows for visual inspection.

YES  NO  **YES!**

**8) Do you CARRY at least \$1,000,000 in Liability Insurance?**

You don't want to find out after something has gone wrong in your home, if the company has insurance!

YES  NO  **YES!**

**9) Will you provide me with a VISUAL INSPECTION of your work?**

You shouldn't have to take someone's "word for it" when it comes to verifying the job you are paying for. Not only will we show you what your ducts look like during the cleaning, we will give you "before & after" pictures of your ducts for you to keep.

YES  NO  **YES!**

**10) Are you aware that Wisconsin DOES NOT require payment of sales taxes on air duct cleaning?**

We have often wondered what exactly other companies are doing with the sales taxes they collect on their air duct cleaning services. Since the state doesn't want it, we suggest you keep it!

YES  NO  **YES!**
